

PURPOSE OF THE JUNIOR FAIR BOARD

The Suwannee River Junior Fair Board will serve the purpose of assisting the Executive Board in efficiently running the fair while providing insight on changes and developments that can be made to the benefit of fair participants. The Junior Fair Board provides recently graduated individuals that would like to support the fair an opportunity to give back to the community. Members will work diligently to develop new educational programs and improve upon current activities at the Suwannee River Fair. Those selected for leadership roles on the board will serve as delegates in matters voted upon by the Executive Fair Board.
